

IPI Release Notes

IPI Content Release 2011.3 (for Lucidiom APMs and Photo Finale) May 2011

APM Kiosk Installer Contents:

This installer contains templates for use on the Lucidiom APM kiosk and includes the following holidays/occasions (see table below for more detailed information):

- 4th of July
- Halloween
- Father's Day
- Thank You
- Mother's Day
- Thanksgiving

Prerequisites for Installation:

1. Your APM kiosks are licensed for Folio creative products (books, calendars, etc.).
2. Your APM and Lab 50 software are up to date as well as your Photo Finale Website (APM version 7.5.1.56 and Lab 50 7.5.2.3).*
3. You have installed Lucidiom's 2011 content packs, which include "Content Release 2011.1" discs 1-3 (released in February 2011), or the 2010 Content Releases 1-3 and the 2011.1 Content Updater. You **must** almost have installed IPI 2011.2 in order to use the 4x5 cards offered in this package.

**Note: For full instructions on installation of the latest APM and Lab 50 software packages, please login to <http://www.lucidiom.com/support> using your APM Network Credentials.*

How to Install on the APM:

This installer contains several content packages. When you run the installer, all of the packages will be installed.

****Note:** The 4x5 card product was introduced in IPI Content Release 2011.2. If this package is not installed prior to this release, these cards will not display. Additionally, though the card is named "4x5", it is printed at 4x5.4 inches.

How to Enable IPI Content on Photo Finale Web

This content is available only for sites that have been migrated to the Photo Finale version 7 platform. If you are running an older version, please contact your regional sales representative to schedule your website migration.

1. In Lab 50, access Store Management > Product Catalog.
2. Expand the "Supplier Catalogs" menu, and then press the **Refresh** button. Open the "IPI Content 2011" folder to view the new products available with this release and to enable them. If the catalog does not appear, please contact your sales person to request the catalog is added to your account.
3. Right-click on the products in the IPI Content 2011 supplier catalog, and select to enable them if they are currently disabled. A green light will appear next to each enabled item.
4. Next, in your active catalog (your active catalog will have a blue circle/check icon), right-click on the category (or create a new one) to which you'd like to add the products and select "Add Products." Select the desired product(s) from the "IPI Content 2011" Supplier Catalog.
5. Once you have added the product(s) to your active catalog, adjust prices, names, etc.
6. Remember, changes made to your Photo Finale website can take up to 30 minutes to appear on your live site.
