

Current Software Versions

The latest v7.0 software installers for independent retailers are given in the below charts. Please be advised that these are only used for independent stores, and this list does not reflect the most recent versions for other clients.

This page lists the latest v7.0 releases. In July 2010, v7.5 was released. Customers with a current support maintenance agreement can [upgrade here](#).

APM Software	Notes
APM 7.0.2.7 Updater	Used to update from any version of APM 6.0 or 7.0 software.
APM 7.0.2.7 Full Installer	Used to completely reinstall the APM software. All custom settings will be lost. Please contact Lucidiom Support for the correct file to install
DVD Cinema 7.0	Must be installed on any kiosks offering DVD Cinema, even if the order is being processed through Back Lab Burner. DVD Cinema also requires additional kiosk licensing.

Content Installers for APMs with EQ Pro Licensing	Notes
Creative Content, 2009.1 (FULL, Disk 1)	Disk 1 of 4 for full content installation, available through the Lucidiom Downloader tool or purchased through sales.
Creative Content, 2009.1 (FULL, Disk 2)	Disk 2 of 4 for full content installation, available through the Lucidiom Downloader tool or purchased through sales.
Creative Content, 2009.1 (FULL, Disk 3)	Disk 3 of 4 for full content installation, available through the Lucidiom Downloader tool or purchased through sales.
Creative Content, 2009.1 (FULL, Disk 4)	Disk 4 of 4 for full content installation, available through the Lucidiom Downloader tool or purchased through sales.
Creative Content, 2009.1 (Rev 102 Patch)	Contains 2010 calendars and fixes to existing content. Available through the Lucidiom Downloader tool.
Creative Content, 2009.1 (Wrapping Paper)	Updated Wrapping Paper installer for use with APM v7. Wrapping Paper requires additional licensing and is available through the Lucidiom Downloader tool.
EQ Gifting, 2010.1	The latest EQ Gifting installer for use in USA only. This should only be installed for customers that have an EQ gifting contract on file with Lucidiom. The EQ Gifting contract is separate from the standard support contract, and the customer can obtain this form from their sales representative. Download is available through the Lucidiom Downloader tool.

Lab 50 Software	Notes
Lab 50 7.0.2.8	The same installer is used for both full installations and updates.
Back Lab Burner 7.0.1.0	Back Lab Burner is installed on the same unit as the Lab 50 software.
