Configuring PayPal Payments

M Important Note on Paypal Setup

PayPal payment processing is a new feature of *Photo Finale 8 / Lab 50 8*. If you have not migrated yet, please contact your account manager.

Also, to ensure proper setup of integrating PayPal, please make sure to read and follow the steps on this page top to bottom.

Configuring Your Account in PayPal

- Sign up for a new business account in PayPal, or log into an existing business account that you have.
- Click on the Profile link, followed by "My selling tools", then "API access".

Lucidiom - Accounts Demo Online				

Your Lab 50 configuration is complete. PayPal will show up as a payment option on your website within 60 minutes. Once it is available, please be sure to test a full transaction to ensure your setup is working.

Lucidiom Enabling PayPal Access for your Account

• The final step required is for Lucidiom to link your dealer account to PayPal in the Lab 50 central database. Please contact your Lucidiom Account Manager and request that we finalize the PayPal setup for your dealer code.

M Important Info Regarding Final Steps for PayPal Setup

Using Paypal for payments will not work until the PayPal Access for your Account/Dealercode has been setup on the Lucidiom Servers and verfied as setup by Lucidiom.
