Kiosk Text Settings

For each fulfillment, you can easily customize the text that is displayed in your fulfillment options and on the bottom portions of the receipt text.

To customize the text for a fulfillment:

- Select a Fulfillment Option (1, 2, or 3) from the Category Navigation Pane.
 From the Primary Navigation Pane, choose the section of text you would like to change. The options are Fulfillment Title, Fulfillment Description, and Order Completion Text (including the bottom text on the receipt).
- Once the section of text has been selected, use the language pull-down menu for the language that needs modification. (Default is English.)
 Type the new text into the text box.
- 5. Repeat for each section of text that needs to be changed (not shown in figure).
- When finished, select File > Save from the upper left corner of the screen to save your changes.
 Repeat for each language that needs to be modified.
