

Wrapping Paper

Wrapping Paper products and designs are included in the Lucidiom Master Content as of release 2013.1. Print these 24x36" sheets on any wide format printer, use 20# bond paper. Wrapping Paper makes a great "freebie" gift with any camera purchase! MSRP \$9.95. Make sure you print some samples and wrap up some boxes for a store display, the photo wrapping paper is a great attention grabber.

Once you've added the product to the kiosk, don't forget to configure the product for printing in Lab 50. It will need to be setup to print to one of the printer interfaces you have configured as you would for any other print product. For details on printer configuration, please see the Printer Interface Guide.
